

# DNR Brownfield Site Assessment Grant 1999-2003

---

The Brownfields Study Group, a state-wide advisory task force, recommended the creation of the Brownfield Site Assessment Grant (SAG) program in their 1998 final report. The State Legislature first authorized \$1.45 million for the SAG program in the 1999-2001 State Biennial Budget. For the current 2001-2003 State Budget, \$3.4 was allocated for the SAG.

The following information summarizes the successes of the first four rounds of the SAG program, from 1999-2003.

## Grant Basics

- Two grant sizes
  - small & large
- Small – \$30,000 or less
- Large – \$30,001 up to \$100,000

## Requests & Grants

- 199 small applications received, requesting \$4.6 million
- 145 small grants funded, awarding \$3.4 million
- 70 large applications received, requesting \$5.7 million
- 17 large grants funded, awarding \$1.45 million

## Rural & Urban Benefits

- Largest Community – City of Milwaukee (population 595,958)
- Smallest Community – Village of Dresser (population 736)

## DNR Delivers

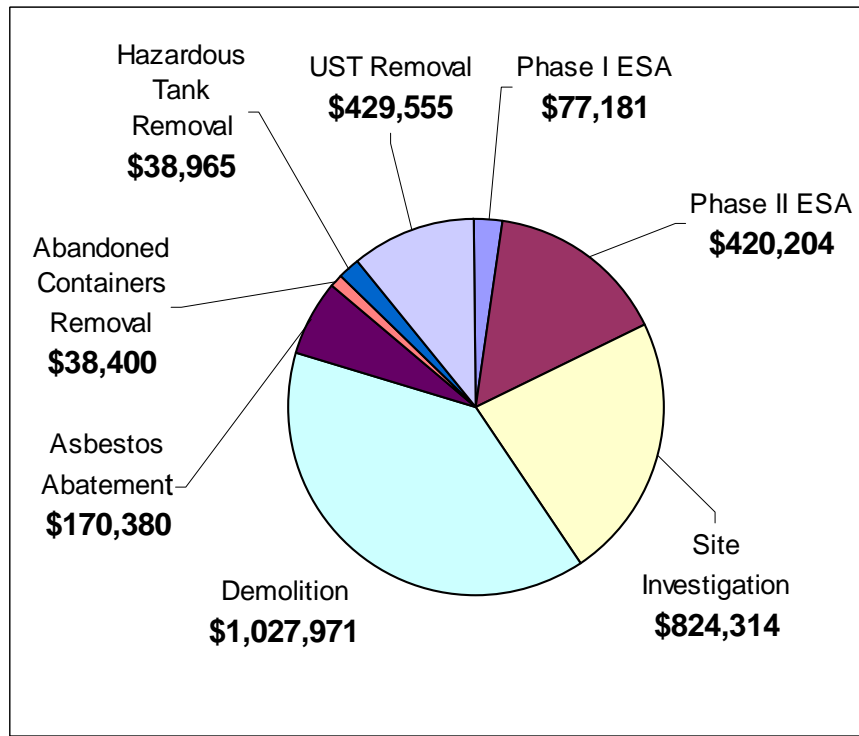

- 11 months – time from SAG program creation until first money awarded
- 8 weeks – average time it takes from application due date to when grants are awarded to communities
- 84 – # of different communities that have received grants

## Grant Activities

- 54 Phase I environmental site assessments
- 90 Phase II environmental site assessments
- 72 site investigations
- 198 structures and buildings demolished
- 162 underground storage tanks removed
- Activities conducted on 554 acres

## Activities Funded by the SAG 2000-2003

## SAG Funds Requested & Awarded 2000-2003
